

## **PRESS RELEASE**

Fellow Cameroonians: We are a group of families who have lost our husbands, wives, children, siblings, property and livelihood at the hands of Ambazonia armed militia, due to the direct financial support, participation, incitement to violence, and propaganda for extreme violence created and promoted by certain Cameroonians residing in the USA and Europe.

We would like to inform the public about our legal initiative for justice, and to request that you please join our cause, and provide us with evidence of stories about your losses, whether of family members or of your property.

We have retained NS AHLAI LAW FIRM in California, USA, led by U.S. based Attorney Barrister EMMANUEL NS AHLAI, to assist us in preparing and filing Civil and Criminal complaints, which are being directed to the Attention of the FBI, the U.S. Dept of Homeland Security, the U.S. Immigration and Customs Enforcement, Interpol, and all other relevant local enforcement agencies, the aim being to denounce all the organized Terrorist activities, funding and instigation of Terrorists acts and crimes committed by all the Ambazonia leaders residing abroad.

We hope and pray to obtain justice, not just for the atrocious and vicious assassinations and murders of our beloved ones, but for those of hundreds of Cameroonian civilians who have been mercilessly tortured, killed and assaulted without impunity, resulting from the material support, incitement and propaganda campaign for extreme violence promoted by Ambazonia leaders abroad. The direct actions of these so called 'leaders' hiding abroad, are in violation of every national penal code and Human rights abuse laws against killings, kidnappings, torture, assaults and intimidation of innocent civilians, and their vicious actions as a whole constitute High Crimes against humanity and Acts of Terrorism as defined by International laws.

These Individuals must be held accountable for their Terrorist actions and be brought to justice. Please help us, by joining our petition to strengthen our cause for Justice.

Thank you and May God help us.
