**FROM: BAFUT 7 KATA.**

**TO: ENTIRE BAFUT COMMUNITY, AMBAZONIA AS A WHOLE**

**SUBJECT: TIGER IS NO LONGER A GENERAL.**

**DATE: APRIL 4, 2022**

Generals, colonels, commandos, soldiers in Bafut on Saturday April 2, 2022, unanimously agreed to remove Tiger as a General till further notice. A decision backed by the entire Bafut community at home and in the diaspora. The decision comes as a result of his involvement in numerous kidnapping for ransoms and killing the innocent civilians we claim to protect. He has brought untold pain and suffering to the local population and beyond. Tiger now has no rank and cannot give orders to any soldier. The entire Bafut community is agitating to march against our fighters just like it is happening in Oku, Ngié and Mbalangi areas. We urge our civilians to be vigilant and report any suspected acts of terror committed by amba boys in Bafut. 7Kata administration at home and in the diaspora will not spare anyone, no matter the position, who brings pain to our people. If you catch Tiger, wipe him and defend yourselves. He is a terrorist kidnapper.

**Long Live Bafut,**

**General A4, for Bafut 7 Kata.  
Shu Akongnwi Asanji Aka Shukong.**
