Name: EMMANUEL NDIFOR also known as Manuel Catman.

MKPD has intelligence that he landed at the Douala International Airport yesterday, and he is currently around **MUTENGENE** to visit his aunt who is like his mother.

He is from Bali Nyonga in North West Region.

He is a very BIG staunch ambazonia Terrorist sponsor of amba Terrorism in Muyuka. The Terrorists kidnap and send money to him, sometimes he deals the money through CRYPTO currency, and he has used the money to build his big house in MUTENGENE.

He sends armed amba thugs to murder people's parents, but now he is going to visit his own mother in MUTENGENE.

Nom : EMMANUEL NDIFOR alias Manuel Catman.

MKPD a des renseignements selon lesquels il a atterri hier à L'aéroport international de Douala et se trouve actuellement à **Mutengene** pour rendre visite à sa tante, qui est comme sa mère.

Il est originaire de Bali Nyonga, dans la région du Nord-Ouest.

C'est un fervent partisan du terrorisme ambazonien à Muyuka. Les terroristes l'enlèvent et lui envoient de l'argent, parfois en cryptomonnaie, qu'il utilise pour construire sa grande maison à Mutengene.

Il envoie des voyous armés pour assassiner les parents des victimes, mais il va maintenant rendre visite à sa propre mère à Mutengene.

Evidence of his involvement in supporting and sponsoring ambazonia Terrorism.
Preuve de son implication dans le soutien et le parrainage du terrorisme d'Ambazonia.
